

**It has now been mandatory since 1 August 2021 to use the FEI HorseApp to:**

1. enter the rectal temperature of each Horse twice daily for the 10 days leading up to the arrival at a FEI Event in Mainland Europe (EHV-1 By-Law No.10)
2. fill in a Horse Health FEI Self-Certification form for all Horses attending a FEI Event in Mainland Europe (EHV-1 By-Law No.10)

As of 1 October 2021, it will be required to enter the rectal temperatures of Horses twice daily while at a FEI Event directly on the FEI HorseApp (EHV-1 By-Law No. 5) and no longer on a form on the stable door. The relevant FEI Officials will be able to consult the daily temperatures directly on the FEI HorseApp.

### **Summary of Horse Health Requirements for FEI Events in Mainland Europe:**

*(to be managed via the [FEI HorseApp](#))*

<b>1.</b>	<b>Two daily temperature readings for every Horse competing at FEI Events for the 10 days leading up to the arrival at a FEI Event</b>
<b>2.</b>	<b>Horse Health FEI Self-Certification form for all Horses attending a FEI Event</b>
<b>3.</b>	<b>Entering of two daily temperature readings for each Horse whilst at a FEI Event</b>

If any of the Horse Health Requirements are not fulfilled, the [EHV-1 By-Law Sanctions](#) will apply.

<https://inside.fei.org/fei/ehv-1/by-laws/sanctions>

The sanctions are applicable per Horse and are issued by FEI Headquarters. Any person associated with the Horse on the FEI HorseApp (e.g. Owner, Groom, Trainer, Athlete) will be notified by email if the Horse has violated a By-Law and the NF of the Horse will be copied; however the fine (where applicable) is sent to the National Federation of the Person Responsible (Athlete that competed with the specific Horse).

Please take note that sanctions are not appealable and the FEI may also, in accordance with EHV By-law No.1, impose EHV related requirements & restrictions against Athletes, Horses, FEI Officials, OCS at any time, even if a FEI Event is over.

For the purpose of establishing multiple violations of the requirements set out in the EHV-1 By-Laws, the period to take into consideration shall be 12 months from the first offence. For the avoidance of doubt, multiple violations at an Event will have the consequences set out in the relevant By-law but,

for the purpose of calculating multiple violations within a 12 month period, violations will be counted on a “Per Horse, Per Event” basis.

Horses blocked in the FEI Database will be unblocked after the Athlete/Groom has registered 10 consecutive days of twice taken rectal temperatures in the FEI HorseApp.
